7. TRAFFIC RULES

Each team which does not observe the road traffic regulations is subject to the following penalties:

- **1st infringement** – deduction of 100 points
- **2nd infringement** – deduction of 300 points
- **3rd infringement** – disqualification

Exceeding the permitted maximum speed by the road traffic regulations by more than 50% may also result in disqualification. In the case of any infringement of the road traffic regulations by a participating rally team, the infringement recording police (Carabinieri, Polizia Stradale) must penalize the culprit like any other common road user.

8. BOARD CARDS / START INTERVAL / CONTROLS

Each team receives at the start the timecards. These have to be restituted at the TC's of the leg ends. Each team is personal responsible to the timecard. The loss of the timecard brings the exclusion for the team.

Disqualification of the participants:

- To deliberately block the passage of competing
- To prevent or to forestall the overtaking of other vehicles
- To behave in an unsportsmanlike manner

Starting interval:

Between the vehicles will be 30 seconds for the prologue and 1 minute for the other tours (subject to change).

Control posts:

Time controls (TC): For checking of the equalized driving and for preservation of the organization as well as for finishing and start of a leg will be installed time controls (TC) on different points on the route. The exact positions of all TC's and the desired leg times are mentioned in the road book and the drivers have to know it.

Passage controls (PC): By means of the passage controls the organizer surveys that the teams adhere to the default rally route exactly. The positions of the PC's are not known by the drivers.

For each passage control you get 20 points.

Secret equability time controls (STC): During equability tests the requested average velocity is controlled, measure the predefined time of the target time tests. During target time tests there are no secret average velocity controls.
